Charles H. Stewart, Esq.,  
Secretary to the University,  
Old College.

Dear Mr. Stewart,

I note that my office does not receive the Minutes of many of the Court's Committees. I feel that I must have all the business of the Court on hand, in order to fulfil my function as Chairman and would therefore ask that my office receive, from last month, the Minutes of all standing Committees of the Court.

I append a list of those we do not receive.

With regards,

Yours sincerely,

*M. Scrimgeour*  
P.P. (GORDON BROWN)  
Rector.
